Re: Advertising on SharkBytes web site

Hi,

As part of the ongoing effort to keep SharkBytes an effective site for our members we will be making changes to the Marine Resource section where your organization is currently listed. The purpose of these changes is to help ensure that all organization listed on our site stay current and have the same opportunity of serving our members.

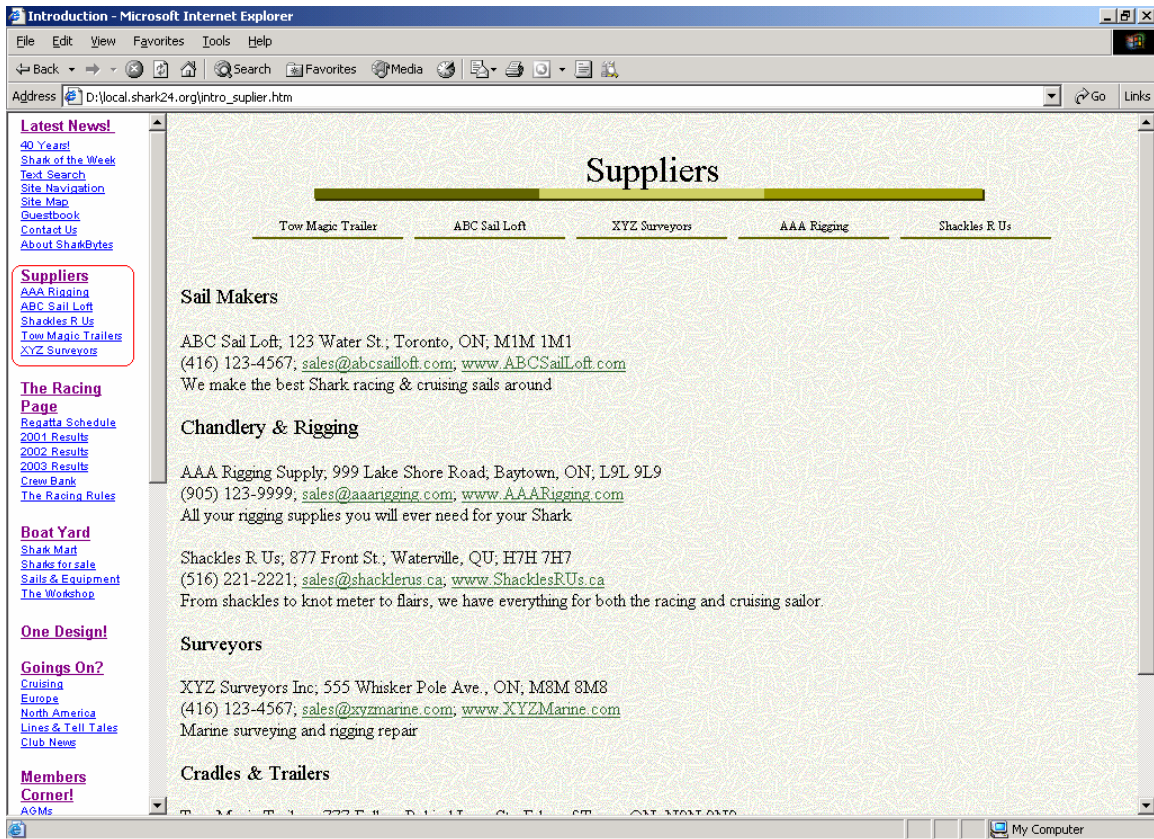

Effective July 1st, 2005, we will be discontinuing the Marine Resource page and replacing it with a new feature called "Suppliers". This new section will appear as its own category in the navigation bar on the left. Below this new "Suppliers" heading there will be a link directly to each supplier's website. Details such as contact information and description of services will be listed on the actual "Suppliers" page itself. These postings will be done alphabetically within the following major categories: Sail Makers, Rigging & Chandlery, Surveyors, Cradles & Trailer, and Others. Attached is a mock up of how the new section should look.

To insure this list of suppliers remains relevant to our membership, CSCA will be adding a \$50.00 per year (July 1st to June 30) listing fee. If you are interested in having your organization listed, please complete the attached form and send it along with a cheque.

If you have any question or concerns about this change you can reach me at webmaster@shark24.org.

Thank you,

Tony St. Amant
Web Master, SharkBytes

Please note the new section on the left (circled above) that will identify your organization as a supplier. The user can click directly on your link below the “Supplier” heading which will bring them directly to your web page. They can also click on the “Supplier” heading and they will be taken to a page (shown above) which gives the details of all suppliers.
