

CALLING ALL "SHARK SAILORS"!!

Do you sail a shark – and LOVE IT!?

Have you always wanted to check out racing against other Sharks in a Regatta, but were a little apprehensive about the Great Shark Fleet and their Flying Spinnakers?

Frenchman's Bay Yacht Club is hosting a White Sail Only Regatta for Sharks this year!

This is a great entry level for would be racers who wish to race white sail only. Some may lack the experience to fly the spinnaker, and others may simply not have the crew. Whatever the reason, this could be the beginning of a great racing career for you!

The FBYC Designer Cup Regatta will be held on Labour Day Weekend, Sept. 4,5,6.

We are easy to sail to, and have a crane for those trailering.
